

**2021**

Be a part of Oklahoma's best lake association.

## The Skiatook Lake Association

The SLA offers members the opportunity to enjoy lake recreation and social functions that no other Oklahoma lake association offers. In 2020 the SLA activities will include an a Dinner Party, SLA Driller Night, Winery and Brewery Tour, The Great Smoke Boil & Swill, and the SLA Christmas Bash.

Membership also includes our very controversial newsletter... **The Wave**. 2020 promises to be another wild and crazy year, so get on board and sail with the people who take partying and lake socializing to a whole new level! All corporate memberships include advertising in the SLA newsletter and sponsorship of questionable activities.

### The SLA Mission:

**“To promote and improve the recreational and environmental qualities of Skiatook Lake”**
